

Park Forest

Live Grow Discover

2015-16 SHOPPING & SERVICES GUIDE

villageofparkforest.com

A message from Mayor Ostenburg...

Every community likes to see new businesses, and Park Forest is no exception. Since the last publication of this directory of local businesses a few more have opened their doors, and that's very exciting!

For a long time, Park Forest residents complained because we seemed to be located in a food desert. We struggled to find a local market and restaurants in order to meet the shopping and dining needs of our community. Sometimes things didn't look too promising, but we kept up the effort. **Finally, our work is paying off!**

First of all, of course, is the new Country Squire Food Market that returns a full-service grocery store to our community. But building up to the opening of Country Squire last November were a number of other new and established places that sold groceries and other food items, including Dollar General, Family Dollar, the South Suburban Food Co-op, the Golden Quick Mart, CVS, Walgreens, and 7-Eleven. Also, the Farmers' Market is open in the DownTown during the summer months, and a Winter Market is open at the St. Irenaeus Church Gymnasium one Sunday per month during the winter.

Meanwhile, for sit-down and take-out dining, Johnny's II now is open in the DownTown, joining such other local dining spots as Dunagains Irish Pub, Sapphire Room, Taco Bell, and Subway, and we've just learned that a new sit-down restaurant will be opening soon in the DownTown.

We encourage all residents to take advantage of these food outlets and to encourage your friends from other communities to do so also. In the meanwhile, we will continue our campaign to "Shop Park Forest!" so **all** the businesses listed in this directory are successful.

I've said it many times before, but I'll say it once again: ***"Happy Shopping in Park Forest!"***

John A. Ostenburg
Mayor

Learn All About Park Forest's Sustainability Plan at
www.villageofparkforest.com
Get Involved in YOUR Future!

The term sustainability comes from the root word sustain, which can be defined as *to keep in existence, maintain*.

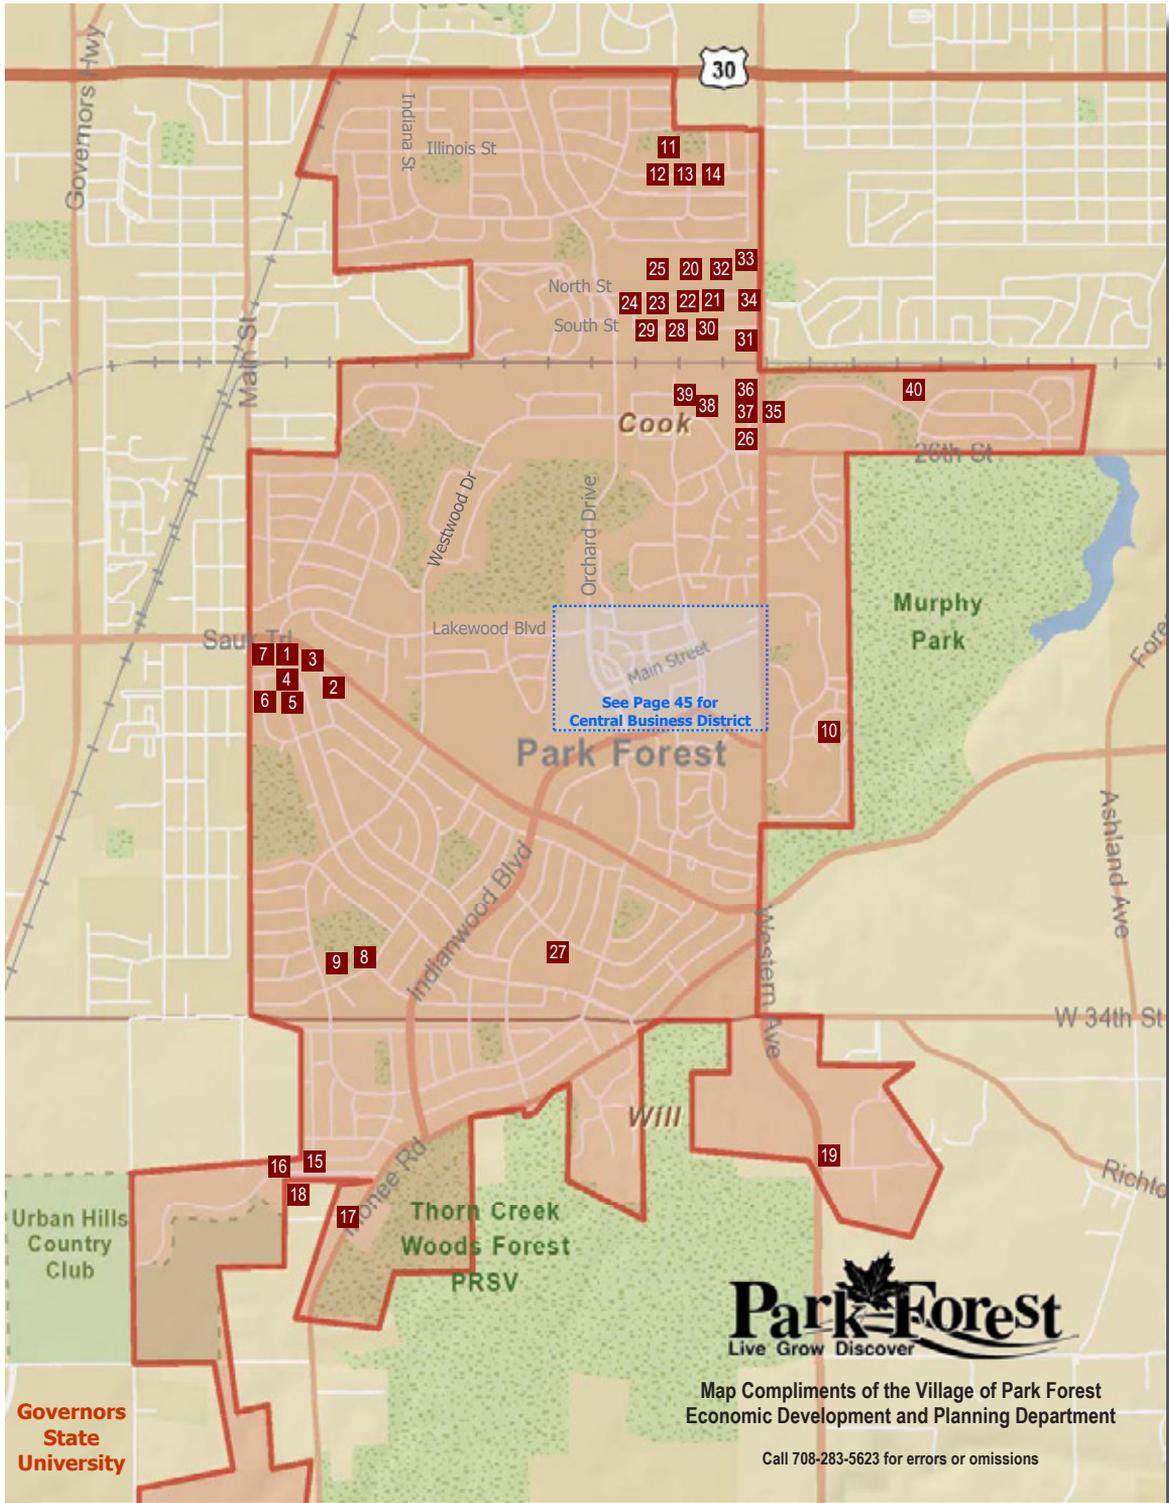

More and more corporations are incorporating sustainability into the triple bottom line of people, plant and profits. Without taking these three into consideration, the long term future of their businesses is uncertain.

Park Forest businesses have the opportunity to participate in the Illinois Green Business Association (IGBA) certification program in an easy 2 step process.

If you are interested in learning how you can make your business more sustainable while increasing your bottom line, contact Sandra Zoellner at szoellner@vopf.com or 708-283-5623, or Sarah Coulter at scoulter@vopf.com or 708-283-5660.
