

ILLINOIS STREET ROADWAY IMPROVEMENT – ORCHARD DRIVE TO WESTERN AVENUE & ILLINOIS COURT CUL-DE-SAC

PROJECT LOCATION:

Illinois Street from Orchard Drive to Western Avenue & Illinois Court cul-de-sac.

IMPROVEMENTS INCLUDE:

Full-Depth Resurfacing of Roadway Pavement
Curb & Gutter Removal & Replacement
ADA Sidewalk Ramps at Roadway Intersections
Driveway Apron Removal & Replacement

CONSTRUCTION SCHEDULE:

Estimated Construction Completion – September 20th, 2019
Construction Hours – 7:00am to 3:00pm

TRAFFIC IMPACT:

Road will remain open, however there may be a reduced number of lanes during construction, therefore there will be traffic congestion and parking restrictions.

July 12, 2019 PROJECT UPDATE:

General:

Construction has begun with the installation of tree protection along Illinois Street. Tree Root pruning along the curb will occur next week.

At this time, there are no restrictions on driveway apron parking.

Driveway apron parking restriction notification sequence:

You will receive two notifications to remove vehicles out of the driveway apron as outlined below:

1. Flyer will be placed on doorknob 5-7 days prior
2. Knock on door 1 day prior

**We appreciate your patience during the
Construction Season**

Thank you for your cooperation!
