## APPLICATION FOR FREE HOME REPAIRS

### DEADLINE EXENDED to DECEMBER 15, 2023

**Rebuilding Together Metro Chicago** is thrilled to partner with Park Forest to provide free home repairs. Park Forest residents who live in **Cook County** are eligible to apply.

Applicants will be considered for all current programming including:

- **Safe at Home**—grab bar installation & safety/accessibility repairs
- **National Rebuilding Day** (April 2024)—interior home repairs

Qualification for free home repair is based on a completed application, financial eligibility, and a review of the work needed. If selected, you will be asked to provide proof of your household income and homeownership. Priority is given to seniors and disabled residents, but all homeowners in the above neighborhoods are encouraged to apply.

We are so impressed with the community spirit in Park Forest and look forward to working with residents there in the coming year. Together we can ensure that the investment you have made in your family home is preserved for generations to come.

Best,  
Lisa Miranda  
Program Director
